The screenshot shows a web browser window displaying an online ZIP converter. The main heading is "Convert your files to the ZIP format". Below this, there are navigation links for "Zip File", "Win Rar Zip", "Unzip Zip", and "Free Zip". A large green button with a right-pointing arrow is prominently displayed. The interface includes a sidebar on the left with a "Converter" menu listing various options like "Archive converter", "Audio converter", "Document converter", "Ebook converter", "Hash encryption", "Image converter", and "Video converter". On the right side, there is a "Bookmark and share page" section with social media links for Twitter and Facebook, and a "More archive converter" section listing other tools like "7z file converter" and "Create TAR.BZ2 archives online". A watermark "www.arhy.website" is overlaid on the central content area.

Online archive converter

This free online ZIP converter lets you easily compress your files to the ZIP format. You can either upload your file or provide us a link to a file. Our converter will then download the link and convert it using the ZIP compression so you save bandwidth when downloading. Please note that we do not support password protected archives.

Upload your file you want to compress to ZIP:

Choose File No file chosen

Or enter URL of the file you want to convert to ZIP:

Or select a file from your cloud storage for a ZIP conversion:

Choose from Dropbox Choose from Google Drive

Convert file (by clicking you confirm that you understand and agree to our [terms](#))

You also have the ability to convert an archive to another compressed archive. For example you could convert **RAR** to ZIP, **TAR.GZ** to ZIP, **ISO** to ZIP and much more.
